## Amazing Grace

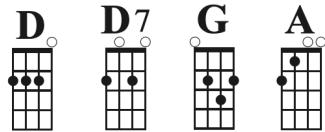

[Refrain]

**D            D7            G            D**  
Amazing Grace! (how sweet the sound)

**A**  
That saved a wretch like me!

**D            D7            G            D**  
I once was lost, but now am found,

**Bm            A            D**  
Was blind, but now I see.

[Verse 1]

**D            D7            G            D**  
'Twas grace that taught my heart to fear,

**A**  
And grace my fears relieved.

**D            D7            G            D**  
How precious did that grace appear,

**Bm            A            D**  
The hour I first believed.

[Verse 2]

**D            D7            G            D**  
Through many dangers, toils and snares

**A**  
We have already come

**D            D7            G            D**  
'Twas grace hath brought us safe thus far

**Bm            A            D**  
And grace will lead us home

[Verse 3]

**D            D7            G            D**  
When we've been there ten thousand years,

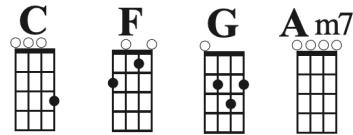

**A**  
Bright shining as the sun,

**D            D7            G            D**  
We've no less days to sing God's praise

**Bm            A            D**  
Than when we first begun.

[Refrain]

## Auld Lang Syne

[Verse 1]

**C            G**  
Should auld acquaintance be forgot,  
**Am            F**  
And never brought to mind?  
**C            G**  
Should auld acquaintance be forgot,  
**Am F C**  
And auld lang syne!

[Chorus]

**F C        G**  
For auld lang syne, my dear,  
**F C        F**  
For auld lang syne.  
**C            G**  
We'll take a cup o' kindness yet,  
**Am F C**  
For auld lang syne.

[Verse 2]

**C            G**  
And surely you'll buy your pint cup!  
**Am            F**  
And surely I'll buy mine!  
**C            G**  
And we'll take a cup o' kindness yet,  
**Am F C**  
for auld lang syne.

[Verse 3]

**C            G**  
We two have run about the slopes,  
**Am            F**  
And picked the daisies fine;  
**C            G**  
But we've wandered many a weary  
foot,  
**Am F C**  
Since auld lang syne.

[Verse 4]

**C            G**  
We two have paddled in the stream,  
**Am            F**  
From morning sun till dine;  
**C            G**  
But seas between us broad have  
roared  
**Am F C**  
Since auld lang syne.

[Verse 5]

**C            G**  
And there's a hand my trusty friend!  
**Am            F**  
And give me a hand o' thine!  
**C            G**  
And we'll take a right good-will draught,  
**Am F C**  
For auld lang syne.

[Chorus]
